

Volunteer/Construction-Rules and Standards

Please read before volunteering:

1. You MUST be 18 or older to volunteer.
2. You MUST wear FULLY CLOSED shoe/boot (it is a construction site).
3. Due to overwhelming community support, we cannot guarantee that everyone will be able to work on site. We appreciate everyone's efforts and will do our best to include as many volunteers as possible but under no circumstances can we ensure that you will be chosen to enter the construction site.
4. You must have fully completed the Volunteer and Appearance release forms in order to volunteer and receive a shirt for work performed.
5. Volunteers will receive a T-shirt only when they are sent to the site to work and not before.
6. Volunteers will receive only one shirt per person. If you are returning to volunteer again, please launder and wear your original T-shirt.
7. Volunteers may be asked to do physical labor. If you have any restrictions or conflicts, please inform the Volunteer Coordinator.
8. Once on set, please DO NOT interfere with the camera crew or cast. This is a television show and in order to successfully complete shooting, we need full cooperation from everyone involved.
9. Unless given specific work duties, you should not be roaming the set. You will be asked to stand by in a designated area as deemed by your Volunteer Coordinator.
10. Please DO NOT ask the cast for autographs. Everyone is working very hard and it is important to respect and uphold a professional work environment.
11. Absolutely NO autographs on hard hats. They are not souvenirs - they are mandatory safety equipment essential in protecting all who enter the work site, for the entire build.
12. Volunteers are not permitted to bring cameras on site. We uphold a productive work site and ask that every volunteer does the same.

* Please return all hard hats at the end of your work shift. We have a limited supply and are concerned with the safety of all who enter the site.

* We are not responsible for any lost or stolen items. Please leave all of your personal belongings in your car or at home.

* If you are not a construction worker or signed in as a scheduled volunteer, you will NOT obtain a T-shirt from this location. Media, VIP, friends, family or production guests should go through production or your corresponding department to get a T-shirt. At no time shall this Check-In area be able to hand out T-shirts to anyone who is not a registered worker or volunteer.

WE RESERVE THE RIGHT TO ASK ANYONE AT ANY TIME TO LEAVE OUR SET. With such EXTREME working conditions we may have to clear the site in order to finish this huge undertaking.

On behalf of ABC and Lock & Key Productions, we thank you for your patience and understanding.
